

# Premium PE Foam Underlayment for laminate & floating wood floors with Moisture Barrier

- The moisture barrier film and tape strip combine to lock out moisture and allow for quick and easy installation
- Provides cushioned comfort under laminate and floating wood floors
- Eliminates minor subfloor imperfections
- Suitable for use with radiant heat flooring systems
- 100% recyclable, environmentally friendly
- Naturally resistant to mold and mildew
- Non allergenic and odorless

## **APPROVED SUBSTRATES**

- Dry, completely cured concrete (at least 14 days old with HVAC operating)
- 3/4" interior plywood or OSB flooring
- Waterproofing and crack-isolation membranes
- Cement backer units

## **FLOOR PREPARATION**

- Subfloor should be clean and dry
- In geographic areas where concrete subfloors are subject to excessive moisture, a calcium chloride moisture test is required. Vapor emission readings in excess of 3 lbs. per 1,000 square feet in 24 hrs will require additional protection such as concrete sealant or polyethylene sheeting.

## **QUICK AND EASY INSTALLATION**

Requires no additional seaming tape, cuts with a knife

1. Roll out underlayment with tape strip next to wall. Roll out next row in same manner butting underlayment close to first row (do not overlap) and covering the moisture barrier film. Remove the tape strip and secure the overlapping moisture barrier film.
2. Install flooring according to the manufacturer's installation instructions  
*\*NOT for glue down installations*

## **PACKAGING**

Available in 4' x 25' (100 sq. ft.) rolls and 4' x 250 (1000 sq. ft.) contractor size rolls

## **TECHNICAL DATA**

100% polypropylene closed cell foam

Thickness — .080"

Weight — 2 lbs. per roll

Moisture Barrier — with lip and tape sealing system

## **SOUND ABSORPTION PROPERTIES**

**Impact Insulation Class (IIC)** This method is to measure the impact sound transmission performance of a floor-ceiling assembly (sound transmission through the floor)

<b>IIC</b>	<b>Flooring</b>	<b>Sub-Floor</b>
61	Laminate/Engineered Wood	6" concrete with ceiling assembly
54	Laminate/Engineered Wood	wood joist with ceiling assembly
