

## specification information

**product** ecofinishes® prefinished engineered hardwood

**style** butterscotch oak; cherry birch; crimson sepele; gunstock oak; midnight birch; mocha oak; natural birch; natural jatoba; natural maple; natural sapele; teak birch

**collection** air<sup>3</sup>

**dimensions** thickness: 1/2"  
face width: 3.5"  
lengths: random up to 4'  
square feet per carton: 18.75 sq. ft. for 3.5"

**construction** 2mm hardwood wear layer over poplar core  
9 layer construction  
core board constructed in cross-ply layers to ensure superior dimensional stability  
hardwood balance board creates maximum structural support and prevention from distortion

**finish** satin finish  
nine layers of unique coating -- includes double applications of aluminum oxide crystal coating for superior durability  
finish technology provides optimum performance in abrasion and flame resistance

**installation** float or glue down

**warranties** lifetime residential warranty against structural defects  
25-year residential / 5-year commercial finish wear-through warranty

**environmental attributes** core board constructed with poplar wood -- a highly renewable resource due to its fast growing properties and abundance in many parts of the world
