golden honey

reclaimed heart pine

[ri-klam'-ed – hahrt – pahyn] (n.):

1. Antique Heart Pine reclaimed from mills dating back to the 1800s. 2. three available variations: natural, stained and hand-scraped. 3. board widths include 5", 7.5", and 11", creating five distinct flooring aesthetics. 4. unlike today's pine, Heart Pine is comparable in durability to Red Oak, yet 29% more stable.

golden honey
